*"Educating ALL Students for Success"*

February 27, 2020

Dear Kershaw County School District Families,

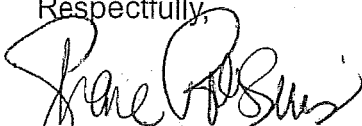

Our school district was recently named as a Purple Star school district, a designation that celebrates our significant commitment to military families who are an important part of our school community.

We are currently in the process of reaching out to our federally-connected families in order to qualify for Federal Impact Aid that will provide funding for our schools. If a member of your household is a member of the military or if a member of your household is a civilian employed on a military base, (i.e. Ft. Jackson, Shaw Air Force Base, McEntire Joint National Guard Base, etc.) Please complete the attached form and return it to your child's school by March 15.

The funding that we may be able to receive is not limited to our military students, rather will support quality educational learning environments for our students across the district.

If you have any questions, please contact KCSD Cultural and Diversity Coordinator Karean Troy at [karean.troy@kcsdschools.net](mailto:karean.troy@kcsdschools.net) or (803) 432-8416. Thank you for your support.

Respectfully,

Dr. Shane Robbins
