Dear Contestants and Parents:

The current situation dictates that we follow social distancing guidelines and wearing of masks during pageant events. A great deal of planning has been done to ensure that we follow safety protocols.

Our Auditorium seating will be structured to allow for families to sit in seating pods. Single seat tickets may also be sold depending on the number of contestants.

Please indicate below how many seats (up to four) that you will need for family members to sit in pods. We may not be able to honor four tickets per families. We will sell other tickets (if available) as single seating to allow for social distancing. Again, seating will depend on the number of contestants. Tickets are \$10.00 per person.

You must return this ticket request when you return your application to Mrs. Horton in the Library by Thursday, January 21st. Contestants will receive tickets at the February 12th practice. Ticket money will be due at the next practice on February 26th. Any remaining tickets will be sold to the public beginning Monday, March 1st.
