“Go To Work with a Relative Day”

Business Partner Information Sheet

Whether Punxsutawney Phil sees his shadow or not on Groundhog Day, thousands of workers from all walks of life will see their “Shadow” Friday, February 3, 2023 during the National Groundhog Job Shadow Day. Shadowing is a short-term educational experience that introduces a student to a particular job or career by pairing the student with an employee of a business, industry or agency. The student follows or “shadows” the employee for a specified time to better understand the requirements of a particular job or career.

Throughout Kershaw County School District, sixth, seventh and eighth grade students will have the opportunity to spend Friday, February 3rd shadowing a relative or a friend of the family in order to experience the workplace firsthand. **NO HOME BASED BUSINESS!**

“Go to Work with a Relative Day”

- Demonstrate the connection between academics and careers, exciting students to learn by making their class work more relevant.
- Builds community partnerships between schools and businesses that enhance the educational experience of all students.
- Introduces students to the requirements of professions and industries to help them prepare to join the workforce of the 21st century.
- Encourages an ongoing relationship between young people and caring adults.
