

Camden Middle School PTO

The Camden Middle School PTO supports teachers, staff, and students by providing classroom supplies, student and teacher incentives for achieving goals, and other resources when needed.

The PTO relies on membership dues, a pageant, and a golf tournament to raise the funds needed to carry out the PTO mission.

Please consider being a dues paying member and a volunteer.

Volunteer activities include organizing and staffing the two fundraising activities, planning teacher meals, organizing student incentive activities, and more. We are also in need of a couple of board members if you are interested in that.

We truly appreciate anything you are willing to help with no matter how much or how little.

Please make checks payable to CMS PTO for \$10 for your 2022-2023 dues or pay through PayPal @cmspto678
